GRAINS Test For Yourself The Wonderful Curative Properties of Swamp-Root

To Prove What Swamp-Root, the World-Famous Kidney and Bladder Remedy, Will do for YOU, Every Reader of the Eagle May Have a Sample Bottle Free.

Kilmer & Co., Binghamton, N. Y.: Gentlemen-In justice to you, I feel it is my duty to send you an acknowledgement of the receipt of the Cables also were weak and turned weak- sample bottle of Swamp-Root you so kindly sent me. I had been out of health for the past five years with kidney and bladder trouble. Had our best physicians prescribe for me. They would relieve me for the time being, but the old complaint would in a short time return again. I sent for a sample bottle of Swamp-Root, some fair early export trade was lost and I found it did me a world of good. Since then I have taken eight small bottles bought at my drag store, sight of in the mad rush to throw stuff and I consider myself perfectly cured. It seemed as though my back would break in two after stooping. I do not have the smarting and fritation, nor do I have to get up during the night to urinate, as I formerly did three or four times a night, but now sleep the sleep of peace. My back is all right again, and in every way heavy and at times very exciting. Far. I am a new man. Two of my brother officers are still using Swamp-Root. They, like myself, cannot say too mers were selling freely in the southwest. much in praise of it. It is a boon to mankind. We recommend it to all who are suffering from kidney and

My brother officers (whose signatures accompany this letter) as well as myself, thank you for the blessing have brought to the human race in the compounding of Swamp-Root. JAMES COOK. began taking some of their profits and the market steaded though there was HUGH E. BOYLE,

Officers of the 58th Police Precinct, Greater New York.

JOHN J. BODKIN. If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering with fatal results are sure to follow. Kidney trouble irritates the nerves, makes you diszy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; makes your head ache and back ache, causes indigestion stomach and liver trouble; you get a sallow, yellow complexion, makes you feel as though you had heart trouble; you may have plenty of ambition,

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by doctors themselves, because they recognize in it the greatest and most successful remedy that science has ever been able to compound.

No 2 hard winter sold here for shipment, but shorts were not frightened. For a sum there was some buring by prominent houses, but this only brought a slight reaction. Traders thought that had full that a special arrangement has been made by which all of our readers who have not already tried it may have this buying not come up the slump might a sample bottle sent absolutely free by mail. Also a book telling all about kidney and bladder troubles and containing many of the thousands upon thousands of testimonial letters received from men and women cured by Swamp-Root. In writing be sure and mention reading this generous offer in the Wichita Sunday Engle when sending your address to Dr. Kilmer & Co., Binghamton, N. Y.

Dwarf Essex Rape

Is the most satisfactory, quick growing pasture plant for cattle, hogs and sheep—is ready for pasturing 45 days after sown. Rape has a high feeding value. It is excellent for fattening hogs and sheep, produces an abundant flow of milk in cows. It is recommended by authorities every. where as of superior value for hogs, furnishing the finest pasturage, or can be fed after cutting. Rape grows on any kind of soil and has strong growing roots. Spring seeding is preferable, but excellent results are secured by disking the ground after crop of wheat or oats. If sown broadcast in spring use 4 to 6 pounds per acre, or in fall 3 to 5 pounds.
